AGREEMENT, made on June 08, 2011, by and between BROADCAST MUSIC, INC.[®] ("BMI[®]"), a New York corporation with its principal offices at 7 World Trade Center, 250 Greenwich Street, New York, NY 10007-0030 and STREAMLICENSING, LLC ("LICENSEE" or "you"), a AL (State)

- (check one) corporation
 partnership
 limited liability company
 individual d/b/a

with its principal offices at 1237 County Road 295
Higdon AL 35979, for the public performance of BMI music on
the LICENSEE's Web Site located at <http://streamlicensing.com> (the "Agreement").

IT IS HEREBY AGREED AS FOLLOWS:

1. **TERM:** This Agreement begins on June 1, 2011 (launch date), continues through the end of December of 2010, and automatically renews on a calendar year-to-year basis thereafter until it is terminated ("Term").

2. DEFINITIONS:

As used in this Agreement, the following terms have the following meanings:

A. "Gross Revenue" means all revenue generated in connection with the Web Site by you, or by anyone acting on your behalf, for or from: (i) access to or use of all or any part(s) of the Web Site (e.g., subscription fees, online time, and other transactional charges); and (ii) advertising (e.g., banners, in-streams ads, hotlinks) on, or sponsorship of, all or any part(s) of the Web Site, including revenue from third parties for including their programming on your web site, commissions from third parties on transactions, and the fair market value of any thing or service in lieu of cash considerations (i.e., trade and barter e.g., exchange of sponsorship or advertising benefits for goods rather than cash payment). Gross Revenue includes revenue from the sale of proprietary software (e.g., jukebox players or software from which revenue is derived) used to access all or any part(s) of the Web Site, but only to the extent that you, or someone acting on your behalf, package(s) or include(s) access to or use of the Web Site with the license for the software. Gross Revenue also includes any donations that you, or someone acting on your behalf, receive(s) in connection with the Web Site. Gross Revenue does not include revenue from the direct sale of physical goods, or revenue generated solely in connection with any web site hosting or stream hosting services you provide for third party web sites that are not licensed under this Agreement. You can deduct advertising agency commissions from your advertising revenue, but only up to 15% actually incurred to a third party advertising agency that you do not own or control. You can also deduct any bad debts that you write off during a reporting period which are related to any billings that you previously reported, but you must include any recoveries of bad debts that were previously written off.

B. "Music Page" means a Web Page which presents one or more icons or hyperlinks that may be clicked on to access performances of music or at which music is played upon loading the Web Page.

C. "Music Revenue" means all Gross Revenue generated in connection with the music on the Web Site, including, but not limited to: (a) music subscription fees; (b) in-stream advertising in programming containing music; and (c) banners or hotlinks on Music Pages. Additionally, if you, or someone acting on your behalf, sell(s) advertising availabilities on a run-of-site basis or offer(s) a subscription service with both music and non-music content, you will include a portion of such revenue as Music Revenue by dividing Music Page Impressions by Page Impressions and then multiplying the run-of-site or subscription service revenue by the result.

D. "Music Page Impression" means a transfer request for a single Music Page.

E. "Page Impression" means a transfer request for a single Web Page.

Thanks for contacting me. Although we signed with BMI in June, we actually did not begin operations until August 1 so we have no data to report for April-June, 2011. If I understand correctly my first report will be due after the third quarter. Do you need anything further from me at this point?
